### Courses List □

| <b>No.</b> | <b>Course Titles</b>                        | <b>Level</b> |
|------------|---|--------------|
| 1          | Dynamics                                    | B.Sc         |
| 2          | Design of Reinforced Concrete Structures I  | B.Sc         |
| 3          | Design of Reinforced Concrete Structures II | B.Sc         |
| 4          | Structural Analysis I                       | B.Sc         |
| 5          | Structural Analysis II                      | B.Sc         |

|           |  |      |
|-----------|--|------|
| <b>6</b>  | Reinforced Concrete Structures Project     | B.Sc |
| <b>7</b>  | Application of Civil Engineering Softwares | B.Sc |
| <b>8</b>  | Concrete Technology & Lab.                 | B.Sc |
| <b>9</b>  | Concrete Structures Construction Methods   | A.S  |
| <b>10</b> | Concrete Structures                        | B.Sc |
| <b>11</b> | Concrete Lab.                              | A.S  |
| <b>12</b> | Concrete Technology                        | A.S  |
